Speaker bios attached

Ron Minatrea is a leadership speaker and consultant with over 30 years of experience as a Fortune 100 business executive. During his corporate career, he built a strong reputation for strategic planning and operational execution in domestic, international, and global operations – ultimately responsible for shipping over \$20 billion a year. Today he equips leaders to live and work with a greater sense of purpose, confidence, and fulfillment – producing organizations with higher engagement, thriving corporate cultures, and improved business performance.

Larry Oxenham is one of America's top asset protection experts, having helped thousands of professionals achieve financial peace of mind by teaching them how to properly structure their assets for lawsuit protection and tax reduction. He has authored and co-authored several articles and books on the subject including *The Asset Protection Bible*. His career has been credited with helping thousands of people save millions of dollars. Larry Oxenham is a nationally recognized speaker who has trained thousands of professionals at hundreds of conventions, conferences and seminars across the country.

Gentry Pool is the Director of Sales for Sterling Administration and has a 360 degree perspective on how the landscape of employee benefits affects both the employer and employees. She is the former president of the Fort Worth Association of Health Underwriters, where she served on the board for 10 years at the local and state levels. She holds her L&H and P&C licenses, as well as her RHU, REBC, SGS and CSA designations and is NAHU Healthcare Reform Certification Course, Certified Professional. Gentry has a Master of Science in Communication Studies from TCU.

Steven L. Steinheimer is a respected business leader with over 30 years of real life experience. Steve has worked with over 100 business owners, CEO's, and Key Executives to help them become better leaders, make better decisions, and get better results. Steve is the CEO of SSG, Ltd., the founder of Creekridge Consulting, a current member and former Chair of Vistage International, a business advisor to Girls on the Run of the DFW Metroplex, and a member of the Industrial Advisory Board for the College of Engineering at Texas Tech University. Steve has a Master's degree in Business Administration from Amber University, and a Masters of Engineering degree and a Bachelor of Science degree in Electrical Engineering Technology from Texas Tech.

Antonio Arzate is a Safety & Loss Control Consultant with IBTX and has multiple years of experience in customized safety training and education, OSHA 10 and 30-hour training, jobsite & facilities inspections/surveys, mock OSHA compliance audits, property insurance to value appraisals, accident investigation and loss mitigation, OSHA Citations consulting, and driver/vehicle safety training and education. He is also familiar with development and implementation of customized safety and health policies and procedures.

Joe Denton is an IBTX Partner, bringing more than 25 years of experience in the employee benefits marketplace. Joe prides himself on listening to the specific goals of the group, analyzing their existing program and implementing appropriate plans specific to that client. He also becomes his clients advocate to the market and helps them to develop a multi-year strategy.
